AMENDATORY ENDORSEMENT-CALIFORNIA

1. In all coverage forms, Actual Cash Value, if applicable, is amended to include the following:
 - a. The actual cash value of covered property will be determined as:
 - 1) the amount it would cost to repair, rebuild, or replace the lost, damaged, or destroyed property less a fair and reasonable deduction for physical depreciation; or
 - 2) the limit applicable to that property at the time of the loss.whichever is less.
 - b. The condition of the property at the time of the loss is the basis for determining the amount of physical depreciation. The expense of labor necessary to repair, rebuild, or replace covered property is not a component of physical depreciation.
 - c. a. and b. above do not apply to property subject to Agreed Amount valuation terms or an item of property specifically scheduled with a value applicable to such item.
2. Under Loss Conditions, F. Other Insurance is deleted and replaced by the following:

F. Other Insurance

You may have another policy covering identical risks, whether or not both policies are subject to the same terms, such insurers are liable to make loss payment as described below. In the event you have double insurance, and incur:

- a. a total or constructive total loss, we will pay our share of the covered loss if that policy has the same effective date as this policy. Our share is the proportion that the applicable limit under this policy bears to the limit of all policies covering on the same basis.

However, if there is a total or constructive loss and that policy has an effective date other than the effective date on this policy, we will pay according to the effective dates on the policies. This policy will be primary to any policy with an effective date after the effective date of this policy. This policy will be excess over any policy with an effective date before the effective date of this policy.

- b. a partial loss, we will pay our share of the covered loss. Our share is the proportion that the applicable limit under this policy bears to the limit of all policies covering on the same basis

Commercial Inland Marine Conditions

Policy Amendment(s) Commercial Inland Marine

The following conditions apply in addition to the Common Policy Conditions and applicable Additional Conditions in Commercial Inland Marine Coverage Forms with the exception of MTC 4310 Motor Truck Cargo Coverage Form, SLP 4620 Specialty Logistics Package Yard Coverage Form, SLP 4621 Specialty Logistics Package-Motor Truck Cargo Coverage Form, SLP 4622 Specialty Logistics Package-Auto Physical Damage Coverage Form, SLP 4623 Specialty Logistics Package-Transportation Coverage Form, SLP 4624 Specialty Logistics Package-Warehouse Legal Liability Coverage Form, SLP 4625 Specialty Logistics Package-Contingent Cargo Coverage Form, and TB 2020 Transportation Block 2020 Coverage Form:

Loss Conditions

A. Abandonment

There can be no abandonment of any property to us.

B. Appraisal

If you and we fail to agree on the amount of loss, either one can ask that the amount of loss be established by appraisal. To start the appraisal process either you or we must make the request in writing to the other. Each must then choose a competent, independent appraiser and give the name and address of that appraiser to the other. This must be done within 30 days after the written request for appraisal is received.

The two appraisers must then choose a competent and impartial umpire. If they do not agree on an umpire within 15 days, either you or we may have an umpire selected by a court located in the same state as the covered property. The appraisers will then set the amount of the loss. A copy of their report will be given to you and to us. The amount they agree upon will be the amount of loss.

If the appraisers fail to agree within a reasonable period of time, they will give the umpire a statement of their differences. A written agreement signed by any two of the three will set the amount of the loss. You will pay your appraiser and we will pay ours. The umpire's fee and other appraisal expenses will be shared equally by you and us.

If we submit to an appraisal, we will still retain our right to deny the claim.

C. Duties in the Event of Loss

You must see that the following are done in the event of loss or damage to Covered Property:

1. Notify the police if a law may have been broken.
2. Give us prompt notice of the loss or damage. Include a description of the property involved. You must also file with us or our agent, a detailed sworn proof of loss within ninety (90) days following the loss or damage. We will supply you with the necessary forms.
3. As soon as possible, give us a description of how, when and where the loss or damage occurred.
4. Take all reasonable steps to protect the Covered Property from further damage and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also if feasible, set the damaged property aside and in the best possible order for examination. If you move the covered property to a safe place, that property will continue to be covered and we will reimburse you for the reasonable expenses for doing so. You must tell us as soon as practical that you have moved the covered property to a safe place.
5. You will not, except at your own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.
6. As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

7. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.
8. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit.
9. Cooperate with us in the investigation or settlement of the claim.

D. Insurance under Two or More Coverages

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

E. Loss Payment

1. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
2. We will not pay you more than your financial interest in the Covered Property.
3. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claim against us for the owners' property.
We will not pay the owners more than their financial interest in the Covered Property.
4. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense. The expenses we incur will not reduce the applicable limit for coverage described under Property Covered.
5. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss if you have complied with all the terms of this Coverage Part and:
 - a. We have reached agreement with you on the amount of the loss; or
 - b. An appraisal award has been made.
6. We will not be liable for any part of a loss that has been paid or made good by others.
7. If we recover any part of a loss from another party, after we deduct the expenses of making the recovery we will share the recovery with you. Your share will be the proportion that your share of the loss bears to the total amount of the loss.
8. We will pay for the removal of covered property damaged from a covered cause of loss up to the lesser of 10% of the limit of insurance or \$50,000. This is in addition to the limit of insurance.

F. Other Insurance

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

G. Pair, Sets or Parts

1. Pair or Set

In case of loss or damage to any part of a pair or set we may:

- a. Repair or replace any part to restore the pair or set to its value before the loss or damage; or
- b. Pay the difference between the value of the pair or set before and after the loss or damage.

2. Parts

In case of loss or damage to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

H. **Labeled Goods**

If covered property bearing labels, packaging or wrappers is lost or damaged, we will pay you an amount sufficient to replace those labels, packaging or wrappers.

I. **Loss Payee**

If a loss payee is named in the Declarations, we will pay you and the loss payee, as the interest of each may appear.

J. **Recovered Property**

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

K. **Reinstatement of Limit after Loss**

The Limit of Insurance will not be reduced by the payment of any claim, except for total loss or damage of a scheduled item..

L. **Transfer of Rights of Recovery against Others to Us**

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. If that person or organization does anything to impair our rights after a loss, we will not have to pay the loss. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property.
2. After a loss to your Covered Property only if; at time of loss, that party is one of the following:
 - a. Someone insured by this insurance; or

C. Legal Action against Us

1. No one may bring us a legal action against us under this Coverage Part unless:
 - a. There has been full compliance with all the terms of this Coverage Part; and
 - b. The action is brought within 2 years after you first have knowledge of the direct loss or damage.
2. You agree not to sue us or involve us in another action proceeding after 2 years have passed since you discovered the loss or damage giving rise to such action. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. - f. Contraband, or property in the course of illegal transportation or trade.

3. Covered Causes of Loss

Covered Causes of Loss means Risks of Direct Physical Loss or Damage to Covered Property from any cause except those causes of loss listed in the Exclusions.

4. Additional Coverages

a. Debris Removal Coverage

(1) We will pay your reasonable expenses to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of the direct physical loss or damage.

(2) The most we will pay under this Additional Coverage is the lesser of 25% of:

(a) The amount we pay for the direct physical loss or damage to Covered Property; plus the deductible in this policy applicable to that loss or damage; or

(b) The applicable Limit of Insurance.

But this limitation does not apply to any additional debris removal limit provided in the Limits of Insurance Section.

(c) This Additional Coverage does not apply to costs to:

(i) Extract "pollutants" from land or water; or

(ii) Remove, restore or replace polluted land or water.

b. Removal Coverage

You must tell us about the move within ten (10) days of first moving the covered property, or else no coverage will apply to the removed property.

c. Additionally Acquired EDP Equipment

We cover additional "Electronic Data Processing Equipment" you acquire. Our limit of insurance for this coverage is 25% of the largest Equipment Limit at any one location shown on the Declarations page, or \$250,000, whichever is less.

You must report this additionally acquired equipment to us within sixty (60) days of receiving the equipment, and pay any additional premium or this Extension of Coverage will cease to apply at the location where the additional equipment is kept.

d. New Location Coverage

We cover property insured under this form which is transferred to a location you acquire that is not shown in the Declarations page applicable to this coverage part. Our limit of insurance for this coverage is \$250,000.

You must report the value of the covered property at the new location to us within sixty (60) days from the date the transfer begins, and pay us any additional premium that may be due as a result of the transfer to the new location.

If you do not report the new location to us within sixty (60) days from the date the transfer begins, we will not cover property at the new location.

e. Transfer Between Locations Coverage

We cover property insured under this form which you transfer between scheduled locations, for up to \$250,000 additional limit at any one scheduled location. You must report the values of covered property involved in this transfer to us within sixty (60) days from the date of transfer, and pay us any additional premium that may be due as a result of the transfer between locations.

If you do not report the transfer between locations to us within sixty (60) days from the date of transfer, the additional limit provided by this clause will be voided.

We also cover such expense which occurs from a sudden malfunction of the fire protection system except while work is being performed upon the system or while the system is being tested.

Coverage for such expenses shall apply in addition to insurance otherwise provided by this policy, but in no event will we pay more than \$50,000 for such recharge, or refill expenses incurred.

No deductible shall apply to this extension of coverage.

h. Worldwide Transit Extension

When coverage is provided in the Declarations for Property While in Transit or While Temporarily Within Other Premises, such coverage is extended to apply world-wide. However, in no event will we pay more than 10% of the Limit shown for such coverage or \$10,000, whichever is lesser, for a covered loss.

i. Extra Expense Coverage

When a Limit of Insurance for "Extra Expense" is shown on the Electronic Data Processing Declarations, we will cover you for the necessary "Extra Expense", as defined, you incur in order to continue as nearly as practicable the "normal" operation of "your business" as a direct result of physical loss or damage (except as may be excluded) to covered property while located at the premises scheduled on the Electronic Data Processing Declarations.

As soon as practical after any loss, you must resume complete or partial business operations of the covered property and, insofar as practical, reduce or dispense with such additional charges and expenses as are being incurred.

Our liability, during the determined period of restoration, shall be limited to the declared amount per period of time specified in the "Measure of Recovery", if any, but in no event to exceed the Limit of Insurance provided for "Extra Expense". The "Extra Expense" incurred will be paid until the Limit of Insurance is exhausted or operations have been resumed, whichever occurs first.

This policy is extended to include the actual loss sustained by you, resulting directly from an interruption of business as covered hereunder, during the period of time, not exceeding two consecutive weeks, when as a direct result of a covered cause of loss, access to the premises in which the property described is located is specifically prohibited by order of civil authority.

- (2) This policy covers such expenses as are necessarily incurred for the purpose of reducing your business interruption loss (except expenses incurred to extinguish a fire), but in the absence of prior authorization by us or our adjuster, not exceeding the amount by which your business interruption is thereby reduced.
- (3) This policy is extended to include the actual loss sustained by you, resulting directly from an interruption of business as covered hereunder, during the period of time, not exceeding two consecutive weeks, when, as a direct result of a covered cause of loss, access to the premises in which the covered property is located is specifically prohibited by order of civil authority.

- (5) If loss or damage results in either a total or partial suspension of business, then we will pay:
 - (a) in the event of total suspension, for the declared amount per period of time specified in the Measure of Recovery, if any, but in no event to exceed the Limit of Insurance provided;
 - (b) in the event of partial suspension, for such proportion of the declared amount per period of time specified in the Measure of Recovery, if any, of total production which would have been obtained during the period of partial suspension had no damage occurred, but in no event to exceed the Limit of Insurance provided commencing with the date of damage or destruction, and not limited by the expiration date of this policy, as would be required through the exercise of due diligence and dispatch to repair, rebuild, or replace such covered property as has been damaged or destroyed
- (6) In addition to the exclusions under **B. Exclusions**, the following exclusions are added with respect to this Business Income Coverage:
 - (a) the suspension, lapse, expiration, non-renewal or cancellation of any lease, license, contract or order;

- (a) by complete or partial resumption of operation of the covered property, whether damaged or not, or;
 - (b) by making use of other property at the location(s) described herein or elsewhere.
- Such reduction shall be taken into account in arriving at the amount of loss hereunder.

- (2) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph (1).

This exclusion applies regardless of whether any of the above, in Paragraphs (1) and (2), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) and (2), results in fire, explosion or theft, we will pay for the direct loss or damage caused by that fire, explosion or theft if these causes of loss would be covered under this coverage form.

This exclusion does not apply to covered property while away from your premises.

f. Fungi, Wet Rot And Dry Rot

Presence, growth, proliferation, spread or any activity of "fungi", or wet or dry rot.

But if "fungi", or wet or dry rot results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion does not apply:

- (1) When "fungi", or wet or dry rot results from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage – Limited Coverage For "Fungi", Wet Rot And Dry Rot with respect to loss or damage by a cause of loss other than fire or lightning.

g. Virus, Bacterium Or Other Microorganism

Any virus, bacterium or other microorganism that induces or is capable of inducing physical distress, illness or disease.

However, this exclusion does not apply to loss or damage caused by or resulting from "fungi", wet rot or dry rot. Such loss or damage is addressed in the previous exclusion.

The terms of this exclusion, or the inapplicability of this exclusion to a particular loss, does not serve to create coverage for any loss that would otherwise be excluded under this Coverage Part.

This exclusion applies to all coverage under all forms and endorsements that comprise this Coverage Part, including but not limited to forms or endorsements that cover business income, extra expense or action of civil authority.

Exclusions **B.1.a.** through **B.1.g.** apply whether or not the loss event results in widespread damage or affects a substantial area.

2. We will not pay for loss or damage caused by or resulting from any of the following:
 - a. Delay, loss of use, loss of market or any other consequential loss.
 - b. Unexplained disappearance.
 - c. Shortage found upon taking inventory.
 - d. Dishonest or criminal act committed by:
 - (1) You, any of your partners, employees, directors, trustees, or authorized representatives;
 - (2) A manager or a member if you are a limited liability company;
 - (3) Anyone else with an interest in the property, or their employees or authorized representatives; or
 - (4) Anyone else to whom the property is entrusted for any purpose.

This exclusion applies whether or not such persons are acting alone or in collusion with other persons or such acts occur during the hours of employment.

This exclusion does not apply to Covered Property that is entrusted to others who are carriers for hire or to acts of destruction by your employees. But theft by employees is not covered.

- e. Voluntary parting with any property by you or anyone entrusted with the property if induced to do so by any fraudulent scheme, trick, device or false pretense.
 - f. Unauthorized instructions to transfer property to any person or to any place.
 - g. Neglect of an insured to use all reasonable means to save and preserve property from further damage at or after the time of loss.
3. We will not pay for loss or damage caused by or resulting from any of the following. But if loss or damage to Covered Property by a Covered Cause of Loss results, we will pay for the loss or damage to Covered Property caused by that Covered Cause of Loss.
 - a. Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph 1. to produce the loss or damage.
 - b. Acts or decisions, including the failure to act or decide, of any person, group, organization or governmental body.
 - c. Wear and tear.
 - d. Any quality in the property that causes it to damage or destroy itself, hidden or latent defect, or gradual deterioration.
 - e. Insects, birds, rodents or other animals.
 - f. Rust or other corrosion, dampness or dryness of atmosphere, or changes in or extremes of temperature, unless directly resulting from physical damage to the Data Processing system's air conditioning facilities. This damage to the air conditioning facilities must have resulted from a covered cause of loss under this policy.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

Payments under the following Additional Coverages will not increase the applicable Limit of Insurance:

1. **Debris Removal Coverage** but, if:
 - a. The sum of direct physical loss or damage and debris removal expense exceeds the Limit of Insurance; or
 - b. The debris removal expense exceeds the amount payable under the 25% limitation in the Debris Removal Additional Coverage;

we will pay up to an additional \$100,000 or 10% of the limit of insurance whichever is less.

2. Removal Coverage

The limits applicable to all other Additional Coverages are in addition to the Limits of Insurance.

D. Deductible

We will not pay for loss or damage in any one occurrence until the amount of the adjusted loss or damage before applying the applicable Limit of Insurance exceeds the Deductible shown in the Declarations. We will then pay the amount of the adjusted loss or damage in excess of the Deductible, up to the applicable Limit of Insurance.

If more than one deductible is applicable under this Coverage Form, we will only apply the highest amount that is applicable.

E. Additional Conditions

1. The Valuation General Condition in the Commercial Inland Marine Conditions is replaced by the following:

a. For "Electronic Data Processing Equipment" and component parts owned by you:

The value of the covered property shall be the actual replacement cost, at the place and time of loss. Replacement Cost means the cost to replace with new property of comparable material and quality and used for the same purpose without deduction for depreciation. When replacement with identical property is impossible or unnecessary, the amount of loss will be based on the cost to replace the property with similar property intended to perform the same functions.

Property of others will be valued in the same manner, but we will not pay more than the amount for which you are liable.

b. For "Software", "Data", "Media" or "Computer Programs";

(1) "Data" or "Computer Programs" not specifically listed by endorsement on this policy shall be valued at the actual cost of reproduction, provided that the "Data" or "Computer Programs" are replaced or reproduced. If the "Data" or "Computer Programs" are not replaced, we will only pay for blank "Media" similar to that on which the "Data" or "Computer Programs" were recorded. With respect to "Media", we will pay the actual cost to repair or replace the property with material of the same kind or quality.

(2) "Data", "Media" or "Computer Programs" that are listed by endorsement on this policy shall be valued at the amount per item specified on the endorsement. This listed amount shall be the agreed value for the purpose of this coverage.

2. The following conditions apply in addition to the Commercial Inland Marine Conditions and the Common Policy Conditions:

a. Coverage Territory

(1) We cover property wherever located within:

- (a) The United States of America;
- (b) The District of Columbia;
- (c) Puerto Rico; and
- (d) Canada.

b. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

We will not pay the full amount of any loss or damage if the value of the Covered Property at the time and location of the loss or damage times the Coinsurance percentage shown in the Declarations is greater than the Limit of Insurance for all Covered Property at that location.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of the Covered Property at the time and location of the loss or damage by the Coinsurance percentage;
- (2) Divide the Limit of Insurance for the Covered Property at the location by the figure determined in Step (1);

(3) Multiply the total amount of loss or damage at the location, before the application of any deductible, by the figure determined in Step (2); and

(4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the applicable Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

If one Limit of Insurance applies to two or more separate locations, this condition will apply to the total of all property at all such covered locations.

c. Release of Carrier's Liability

Permission is granted to you to accept released value bills of lading from common carriers.

d. Property of Others

At our option, any loss or damage to property of others may be adjusted with and paid to the owner of the property.

Scheduled Property Floater Coverage Form

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance. Other words and phrases that appear in quotation marks have special meaning. Refer to Section F. Definitions.

In return for your payment of the premium shown in the Declarations which are part of this policy, we provide the coverage described herein subject to all the conditions of this policy. This coverage is also subject to the additional policy conditions relating to assignment or transfer of rights or duties, cancellation, changes or modifications, inspections, and examination of books and records. Endorsements and schedules may also apply as identified in the Declarations or schedule of coverages.

b. Coverage Conditions

We only cover your property and property of others that are described in the Declarations.

2. Property Not Covered

Covered Property does not include:

- a. Aircraft, watercraft or vehicles licensed or designed for highway use.
- b. Buildings or land (including land on which the property is located) or water.
- c. Accounts, bills, currency, deeds, food stamps or other evidences of debt, money, notes or securities.
- d. Property while waterborne except while in transit in the custody of a carrier for hire operating on inland waterways.
- e. Contraband or property in the course of illegal transportation or trade.

3. Covered Causes of Loss

Covered Causes of Loss means Risks of Direct Physical Loss or Damage to Covered Property from any external cause except those causes of loss listed in the Exclusions.

4. Additional Coverages

a. Debris Removal Coverage

- (1) We will pay your reasonable expenses to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of the direct physical loss or damage.

- (2) The most we will pay under this Additional Coverage is the lesser of 25% of:
- (a) The amount we pay for the direct physical loss or damage to Covered Property; plus the deductible in this policy applicable to that loss or damage.
 - (b) The applicable Limit of Insurance.

But this limitation does not apply to any additional debris removal limit provided in the Limits of Insurance Section.

- (3) This Additional Coverage does not apply to costs to:
- (i) Extract "pollutants" from land or water; or
 - (ii) Remove, restore or replace polluted land or water.

b. Preservation of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of loss, we will pay for any direct physical loss to that property:

- (1) While it is being moved or while temporary stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Pollutant Cleanup And Removal

We will pay your expenses to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if reported to us within 180 days on which the Covered Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

5. Coverage Extensions

Additional Acquired Property

If during the policy period you acquire additional property of a type already covered by this form, we will cover such property for up to 30 days, but not beyond the end of the policy period. The most we will pay for loss or damage is \$10,000.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage.

a. Earth Movement

- (1) Earthquake, including any earth sinking, rising or shifting related to such event;
- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;
- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in a.(1) through (4) above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

All Earth Movements that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

b. Governmental Action

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread if the fire would be covered under this coverage form.

- (1) Any weapon employing atomic fission or fusion; or
- (2) Nuclear reaction or radiation, or radioactive contamination from any other cause. But if nuclear reaction or radiation, or radioactive contamination results in fire, we will pay for the direct loss or damage caused by that fire if the fire would be covered under this coverage form.

- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

This exclusion applies regardless of whether any of the above, in Paragraphs (1) and (2), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) and (2), results in fire, explosion or theft, we will pay for the direct loss or damage caused by that fire, explosion or theft if these causes of loss would be covered under this coverage form.

f. Fungi, Wet Rot And Dry Rot

Presence, growth, proliferation, spread or any activity of "fungi", or wet or dry rot.

However, this exclusion does not apply to loss or damage caused by or resulting from "fungi", wet rot or dry rot. Such loss or damage is addressed in the previous exclusion.

The terms of this exclusion, or the inapplicability of this exclusion to a particular loss, does not serve to create coverage for any loss that would otherwise be excluded under this Coverage Part.

This exclusion applies to all coverage under all forms and endorsements that comprise this Coverage Part, including but not limited to forms or endorsements that cover business income, extra expense or action of civil authority.

- a. Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph 1. to produce the loss or damage.
